The Annual Christmas in July Dinner (July 25, 2018) is in its inaugural year and an event we will be growing into our flagship summer event. This year's theme is 'A Canadian Christmas' where we will be hosting 'family style' turkey dinners.

For 78 years, the Christmas Bureau has been providing festive meals to Edmontonians in need through the promotion of sharing and caring. In 2017, the Christmas Bureau provided a festive meal to 17,711 families of which 48% were children under the age of 18. Families range in size from seniors living alone to blended families of 12. You may know the families we serve, but you may not know the struggles they are facing at Christmas time. The gift of a nutritious meal does have an impact on the families we serve and your gift of an auction item is more than providing that one meal at Christmas time. You will be impacting Edmonton families in need in a positive and caring way.

As an Auction Gift In-Kind Donor, you will not only be a key part of this fun event, you will also have access to the following benefits.

BRAND VISIBILITY - LIVE AUCTION ITEM

After delivering a hamper in 2017, one of our volunteers received a thank you card and angel from a client. The card read - 'Thank you. You have done more today for me than you can know.' Help continue that impact on Edmonton families in 2018.
